

INDEX

ORIGINAL COMMUNICATIONS.

- | A | B |
|---|--|
| Accessory sinus disease; Case-report illustrating ocular affections due to intra-nasal and,—Coffin, L. A. | Beck, J. C.—Radiography in otolaryngology |
| 854 | 1027 |
| Accidents during tonsillectomy and sequelae of the operation—Pfungst, A. O. | Beck, O.—Vertigo and disturbances of the equilibrium in recent secondary syphilis |
| 798 | 1056 |
| Acute and chronic inflammation of the maxillary sinus; its recognition and treatment—Worthington, T. C. | Blake, C. J.—Consideration of the mechanism of pressure in the production of vertigo with report of cases |
| 628 | 931 |
| Alcohol injection of the internal branch of the superior laryngeal nerve; Analgesia of the larynx by,—Lewy, A. | Bone cyst of the ethmoid cells—Thompson, J. A. |
| 9 | 152 |
| Alderton, H. A.—A new instrument to remove the nasal wall in cases of empyema of the maxillary antrum | Braisslin, W. C.—The sigmoid sinus and the jugular bulb in infancy |
| 1095 | 1179 |
| Alderton, H. A.—A symptom of mastoiditis | Brawley, F.—Diagnosis of associated diseases of the eye and nasal accessory sinuses |
| 1176 | 1013 |
| Analgesia of the larynx by alcohol injection of the internal branch of the superior laryngeal nerve—Lewy, A. | Bronchoscopy and esophagoscopy; The history of,—Killian, G. |
| 9 | 891 |
| Analysis of the Weber test in 100 cases—Sonnenschein, R. | Bronchoscopy and esophagoscopy; their indications and contra-indications—Kahler, O. |
| 660 | 898, 1049 |
| Antrum; A new instrument to remove the nasal wall in cases of empyema of the maxillary—Alderton, H. A. | Brown, C. M.—Carcinoma of the naso-pharynx |
| 1095 | 1069 |
| Antrum; Sarcoma of the nasal wall of the maxillary,—Freer, O. T. | Bruehl, G.—Pathology of the ear |
| 98 | 971 |
| An unusual case of papilloma of the larynx—Carter, W. W. | Bulbar paralysis, A case of chronic progressive,—Good, R. H. |
| 102 | 100 |
| Atypical mastoiditis—Crockett, E. A. | C |
| 763 | Cannulae; A set of antral,—Dunn, J. |
| Atypical mastoiditis, its cause pathology symptomatology and diagnosis—Harris, T. J. | 168 |
| 775 | Carcinoma of the naso-pharynx—Brown, C. M. |
| Atypical mastoiditis—Stucky, J. A. | 1069 |
| 769 | Carter, W. W.—Transplantation of bone for the correction of depressed deformities of the nose with report of cases |
| Aural speculum especially adapted for incision of the external canal. A modified—Smyth, D. C. | 91 |
| 24 | Case of chronic progressive bulbar paralysis—Good, R. H. |
| Aural vertigo; The value of lumbar puncture in the treatment of,—Putnam, J. J. | 100 |
| 940 | Case of myxo-fibro-sarcoma of the nose and naso-pharynx removed by Bodines' modification of the Boeckel operation: recurrence—Dougherty, D. S. |
| | 650 |
| | Case of nasal sarcoma removed by intra-nasal operation: recurrence after thirteen years: external operation* and no return after three and one-half years—Knight, C. H. |
| | 784 |

ORIGINAL COMMUNICATIONS.—Continued.

- Case of true papilloma of the nasal septum—Arrowsmith, H. 85
- Case-reports illustrating ocular affections due to intra-nasal and accessory sinus disease—Coffin, L. A. 854
- Chamberlin, W. B.—Report of two cases of tuberculosis of the nose 873
- Chronic purulent maxillary sinusitis of dental origin: six months dally washing through the alveola without result: twenty-eight washings through the inferior meatus—Koenig, C. J. 640
- Clark, J. P.—Congenital web of the esophagus, report of a case 810
- Cline, L. C.—Report of a case of sarcoma of tonsil in a young child 153
- Clinical studies of five cases of suppurative labyrinthitis—Kerrison, P. D. 161
- Coffin, L. A.—Case-reports illustrating ocular affections due to intra-nasal and accessory sinus disease 354
- Cohen, J. Solis—Progress in the treatment of laryngeal carcinoma since the organization of the American Laryngological Association 807
- Congenital web of the esophagus: report of a case—Clark, J. P. 810
- Consideration of the mechanism of pressure in the production of vertigo with report of cases—Blake, J. C. 931
- Cresatin in diseases of the nose, throat and ear; A non-caustic cresol—Lederman, M. D. 169
- Cribriform plate and olfactory nerve in man and certain animals; Some observations upon the,—Kyle, J. J. 1131
- Crockett, E. A.—Atypical mastoiditis 763
- Cyst at the base of the tongue—Forsyth, E. A. 1145
- D**
- Deaf child; Medico-educational problem of the,—Makuen, G. H. 683
- Deaf child; Syllabus for a lecture to medical students on the,—Makuen, G. Hudson 1070
- Deaf; Some early books on the education of the,—Packard, F. R. 1065
- Deaf; The, their education, improvement of conditions, etc.—Wright, J. D. 110, 178, 741
- Delavan, D. B.—Erysipelas of the larynx 155
- Diagnosis of associated diseases of the eye and nasal accessory sinuses—Brawley, F. 1013
- Dougherty, D. S.—Case of myxofibro-sarcoma of the nose and naso-pharynx removed by Bodine's modification of the Boeckel operation: recurrence 650
- Dougherty, D. S.—The severer types of tonsillar infection 707
- Dunn, J.—A set of antral canulae 168
- E**
- Ear affections; A resume of the modern operative procedures in ear affections—Graham, H. B. 948
- Ear; A non-caustic cresol (cresatin) in diseases of the nose, throat and,—Lederman, M. D. 169
- Ear, nose and throat patients treated at the University Hospital in Manila; Report of over 400—Winsor, H. 728
- Ear; Pathology of the,—Bruehl, G. 971
- Ear; Removal of scissor-blade from, three years and three months after its introduction—Stein, O. J. 690
- Electric laryngeal mirror-heater—Heitger, J. D. 175
- Equilibrium in recent secondary syphilis; Vertigo and disturbances of the,—Beck, O. 1058
- Erdmann, J. F.—Tumors of the larynx—their surgical consideration 1
- Erysipelas of the larynx—Delavan, D. B. 155
- Esophageal fistula, laryngostomy, cure; Laryngo,—White, J. A. 1151
- Esophagoscopy and gastroscopy—Jackson, C. 923
- Esophagoscopy; Bronchoscopy and, their indications and contra-indications—Kahler, O. 898, 1049
- Esophagoscopy—Johnston, R. H. 1156
- Esophagoscopy; The history of bronchoscopy and,—Killian, G. 891

ORIGINAL COMMUNICATIONS.—Continued.

- Esophagus; Congenital web of the, report of a case—Clark, J. P. 810
- Esophagus; Folds and webs at the upper end of the,—Mosher, H. P. 1089
- Esophagus; Retro-pharyngeal abscess with paralysis of the,—Thompson, J. A. 1081
- Ethmoid cells; Bone cyst of the,—Thompson, J. A. 152
- Ethmoiditis; Non-suppurative,—Marquis, G. P. L. 12
- Eustachian tube; A report of eleven cases operated upon by the Yankauer method for closure of the,—McCullagh, S. 986
- Eustachian tube; Report of cases operated upon by the Yankauer method of closing the,—Hall, G. C. 990
- Eustachian tubes; A speculum for the direct examination and treatment of the naso-pharynx and,—Yanhauer, S. 173
- Exostosis of the septum—Metzenbaum, M. 652
- Extra-dural abscess, operation recovery; Report of a case of serious labyrinthitis and,—Seneseny, E. T. 692
- F**
- Fatal case of quinsy in an adult —Prowse, L. W. 105
- Fetid necrosis following simple mastoid operation—Friedenwald, H. 697
- Folds and webs at the upper end of the esophagus—Mosher, H. P. 1089
- Forceps; A safe and rapid procedure for submucous resection of the deflected nasal septum with presentation of a new septal,—MacWhinnie, A. M. 1091
- Forsyth, E. A.—Cyst at the base of the tongue. 1145
- Frambesia (yaws); Post-operative double frontal sinusitis, extensive osteoma of frontal and nasal bones and orbital fossae with superimposed lipoma, causal factor,—Van Wagenen, C. D. 643
- Fraenkel, eulogy 1186
- Freer, O. T.—Sarcoma of the nasal wall of the maxillary antrum 98
- Freer, O. T.—The inferior turbinate its longitudinal resection for chronic intumescence 1136
- Freudenthal, W.—Unusual instances of laryngeal abscess. 1083
- Friedenwald, H.—Fetid necrosis following simple mastoid operation 697
- Frissell, L. F.—The oro-pharynx as a portal of entry for infection 1002
- G**
- Gallagher, T. J.—Preservation of the anterior wall in the external frontal sinus operation. 1074
- Gastroscoy; Esophagoscopy and,—Jackson, C. 923
- General anesthesia in operations in the pharyngeal region and about the neck—Metzenbaum, M. 22
- Glogau, O.—Removal of a laryngeal polypus under guidance of a pharyngoscope 1019
- Goldstein, M. A.—Personal impressions, experiences and comments 965
- Goldstein, M. A.—The practical value of lip-reading. 619
- Good, R. H.—A case of chronic progressive bulbar paralysis. 100
- Graham, H. B.—A resume of the modern operative procedures in ear affections 948
- Greene, J. B.—Some indications and contra-indications for removal of the faucial tonsils. 715
- H**
- Hall, G. C.—Report of cases operated by the Yankauer method of closing the Eustachian tube. 990
- Harris, C. M.—Two well-known tonsil-dissectors mounted in convenient form upon a single handle 177
- Harris, T. J.—Atypical mastoiditis, its cause, pathology, symptomatology and diagnosis. 775
- Hays, H.—The Yankauer operation in the treatment of chronic middle-ear suppuration. 653
- Heitger, J. D.—Electric laryngeal mirror-heater 175
- History of an interesting case of lympho-sarcoma of the pharynx (soft palate) with unusual lymphatic involvement—Stein, O. J. 702

ORIGINAL COMMUNICATIONS.—Continued.

- Higbee, B.—Tonsil separator.....1094
 History of bronchoscopy and
 esophagoscopy—Killian, G..... 891
 Hitz, H. B.—Some anomalies of
 the mastoid from a surgical
 aspect1164
- I
- Intra-nasal and accessory sinus
 disease; Case-reports illustrat-
 ing ocular affections due to,—
 Coffin, L. A..... 854
 Intra-nasal destruction from dis-
 ease without any deformity; A
 remarkable case of,—Stein, O.
 J.956
- J
- Jackson, C.—Esophagoscopy and
 gastroscopy 923
 Jackson, C.—Laryngeal bron-
 chial and esophageal endoscopy,
 25, 1183
 Johnston, R. H.—Esophagoscopy.....1156
 Jugular bulb in infancy; The sig-
 moid sinus and the,—Braislin,
 W. C.1179
- K
- Kahler, O.—Bronchoscopy and
 esophagoscopy: their indica-
 tions and contra-indications
 898, 1049
 Kahn, H.—Treatment of ozena by
 the submucous injection of
 paraffin into the nasal septum
 with a review of other meth-
 ods 737
 Kerrison, P. D.—Clinical studies
 of five cases of suppurative
 labyrinthitis 161
 Kerrison, P. D.—The vertigo of
 vestibular paralysis 978
 Killian, G.—The history of bron-
 choscopy and esophagoscopy..... 891
 Knight, C. H.—Case of nasal sar-
 coma removed by intra-nasal
 operation: recurrence after
 thirteen years: external opera-
 tion and no return after three
 and one-half years..... 784
 Koenig, C. J.—Chronic purulent
 maxillary sinusitis of dental
 origin: six months daily wash-
 ing through the alveola without
 result: Twenty-eight washings
 through the inferior meatus..... 640
 Koenig, C. J.—Submucous resec-
 tion of the nasal septum, new
 instruments1025
- Kyle, J. J.—Some observations
 upon the cribriform plate and ol-
 factory nerve in man and cer-
 tain animals1131
- L
- Labyrinthitis; Clinical studies of
 five cases of suppurative,—Ker-
 rison, P. D..... 161
 Labyrinthitis; Report of a case of
 serous, and extradural abscess,
 operation, recovery—Senseney,
 E. T..... 692
 Laryngeal abscess; Unusual in-
 stances of,—Freudenthal, W.....1083
 Laryngeal, bronchial and esopha-
 geal 'endoscopy.—Jackson, C.
 25, 1183
 Laryngeal carcinoma since the or-
 ganization of the American
 Laryngological Association;
 Progress in the treatment of,—
 Cohen, J. Solis..... 807
 Laryngeal mirror-heater; Electric,
 —Heitger, J. D..... 175
 Laryngeal polypus; Removal of a,
 under guidance of the pharyn-
 goscope—Glogau, O.....1019
 Laryngo-esophageal fistula, laryng-
 ostomy, cure—White, J. A.....1151
 Larynx; Analgesia of the, by al-
 cohol injection of the internal
 branch of the superior laryngeal
 nerve—Lewy, A..... 9
 Larynx; An unusual case of pa-
 pilloma of the,—Carter, W. W. 102
 Larynx; Erysipelas of the,—
 Delavan, D. B..... 155
 Larynx; Tumors of the,—their
 surgical consideration—Erd-
 mann, J. F..... 1
 Layman, D. W.—A new tongue-
 depressor 176
 Lederman, M. D.—A non-caustic
 cresol, cresatin, in diseases of
 the nose, throat and ear..... 169
 Lederman, M. D.—Septic infec-
 tions of the mouth and throat 721
 Lewy, A.—Analgesia of the larynx
 by alcohol injection of the in-
 ternal branch of the superior
 laryngeal nerve 9
 Lip-reading; The practical value
 of,—Goldstein, M. A..... 619
 Lympho-sarcoma of the pharynx
 (soft palate) with unusual lym-
 phatic involvement; The his-
 tory of an interesting case of,—
 Stein, O. J..... 702

ABSTRACTS.—Continued.

- Objective aural tinnitus with hyperthyroidism—Yates, D. 642
- Onodi, A.—The opening of the cranial cavity and exposure of the brain by way of the nasal accessory cavities 1082
- Opening of the cranial cavity and exposure of the brain by way of the nasal accessory cavities—Onodi, A. 1082
- Orgel, D. H.—Primary streptococcus diphtheria 11
- Otitic pyemia due to the tetragonic micrococcus; Unusual case of,—Caldera, C. and Pinaroli, G. 964
- Otitis media; Acute, its cause and treatment—Mathers, R. E. 104
- Otitis media; Unusual sequestrum from suppurative,—Andrews, A. H. 172
- Oto-cranio-cerebral complications; Fetid atrophic rhinitis and its,—Compaired 208
- Ozena and tuberculosis—Robessa and Santina 955
- Ozena; Pure atrophic, of the Eustachian tube and middle ear—Compaired 26
- Packard, F. R.—A fatality following the removal of tonsils and an adenoid growth 44
- Pebble in the right bronchus—Marten, A. 691
- Perkins, C. E.—Mastoiditis without apparent involvement of the middle ear 1088
- Pharyngeal parathesis as a symptom of tumors of the digestive tract—Pugnat, A. 1020
- Pharyngeal sporotrichosis with threatened asphyxiation; A rare case of lingual and,—Duverger, J. and Bain, A. 714
- Pharyngoscope; An improved,—Beck, A. L. 97
- Pharynx; The best prophylaxis against aspirating pneumonia after extensive operations on the tongue or in the mouth or,—Cecil, A. 1183
- Pinaroli, G. and Caldera, C.—Unusual case of otitic pyemia due to the tetragonic micrococcus 964
- Primary streptococcus diphtheria—Orgel, D. H. 11
- Princeteau—Infiltrating epithelioma of floor of mouth 774
- Pugnat, A.—Pharyngeal parathesis as a symptom of tumors of the digestive tract 1020
- Pure atrophic ozena of the Eustachian tube and middle ear—Compaired 26
- Reaction of protective ferment in the diagnosis of angina—Lasagna, F. 1130
- Recurring mastoiditis—Jantzen, S. C. W. 740
- Recurrent enlargement of the salivary glands—Greig, D. M. 1175
- Removal of an open safety-pin from the trachea by upper bronchoscopy—Makuen, G. Hudson. 897
- Rhinitis and its oto-cranio-cerebral complications; Fetid atrophic,—Compaired 208
- Rhinitis; Chronic,—Grandy, C. C. 691
- Rhinology in medicine; Some remarks on the position of laryngology and,—Fullerton 868
- Rhino-sinusitis; Consideration of some cases of caseous,—Masiar, H. 875
- Robessa and Santina—Ozena and tuberculosis 955
- Salvarsam; Ear conditions in syphilis after the administration of,—Beck, O. 853
- Salvarsan in non-syphilitic ulceration of the mouth and throat—Gerber, P. H. 1207
- Salivary glands; On recurrent enlargement of the,—Greig, D. M. 1175
- Santina and Robessa—Ozena and tuberculosis 955
- Schmidt, A.—Inhalations of superheated air in bronchitis and related affections 797
- Scripture, E. W.—Some remarks on deaf-mutism 140
- Sellel, J.—Acute thyroiditis following potassium iodid treatment 809
- Serologic differential diagnosis of whooping-cough—Delcourt, A. 809
- Simon, G.—Adenoid vegetation in relation to tuberculosis 872
- Sinus; Contribution to the study of cysts of the frontal,—Aboulker, H. 84
- Sinuses; Treatment of inflammatory diseases of accessory nasal,—Killian, G. 1125

ABSTRACTS.—Continued.

- Sinus; Mucocoele of the sphenoid,
—Benjamins, C. E. 1093
- Some remarks on deaf-mutism—
Scripture, E. W. 140
- Some remarks on the position of
laryngology and rhinology in
medicine—Fullerton 868
- Stenosis of the lower end of esop-
hagus—Akin, H. L. 879
- Syme—Enucleation of the tonsil
for chronic disease 806
- Syme—Tonsillectomy in chronic
affections 963
- Syndrome of Gradenigo—Coulet,
M. G. 768
- Syphilis of the turbinate—Jer-
vey, J. W. 666
- Syzmanski, J.—The force used in
removal of adenoids 1178
- Tack lodged in left bronchus—
Tapia, G. 1024
- Tapia, G.—Tack lodged in left
bronchus 1024
- Throat; Neurasthenic conditions
referable to the nose and,—
Jamieson, W. H. 101
- Thyroiditis following potassium
iodid treatment; Acute,—Sellel,
J. 809
- Tongue; The best prophylaxis
against aspirating pneumonia
after extensive operations on
the, or in the mouth or phar-
ynx—Cecil, A. 1183
- Tonsil; Enucleation of the, for
chronic disease—Syme 806
- Tonsillectomy in chronic affec-
tions—Syme 963
- Tonsils; A fatality following the
removal of, and an adenoid
growth—Packard, F. R. 44
- Trachea-bronchial tree; Diverti-
culum of,—Kahler 989
- Trachea; Removal of an open
safety-pin from the, by upper
bronchoscopy—Makuen, G. Hud-
son 897
- Treatment of diphtheria bacillus-
carriers—Kretschmer, M. 701
- Treatment of inflammatory dis-
eases of accessory nasal sinuses
—Killian, G. 1125
- Two unusual cases of brain-ab-
scess, left hemisphere—Moire,
E. J. 947
- Tuberculosis of the lip—Arm-
strong, G. E. 97
- Turbinate; Syphilis of the,—Jer-
vey, J. W. 666
- Ultero-membranous laryngitis—
Moire, E. J. 689
- Unusual case of otitic pyemia due
to the tetragonic micrococcus—
Caldera, C. and Pinaroli, G. 964
- Unusual sequestrum from sup-
purative otitis media—Andrews,
A. H. 172
- Virulence of diphtheria bacilli—
Arms, B. L. and Wade, E. M. 736
- Wade, E. M. and Arms, B. L.—
Virulence of diphtheria bacilli 736
- Whooping-cough; Serologic differ-
ential diagnosis of,—Delcourt,
A. 809
- Yates, D.—Objective aural tinni-
tus with hyperthyroidism 642

BOOK REVIEWS.

- Atlas of radiography of the mas-
toid region and the accessory
sinuses—Beck, J. C. 1048
- Ballenger—A treatise on diseases
of the nose, throat and ear 825

ILLUSTRATIONS.

Anomalies of the Mastoid—Hitz, H. B.	1165-1174
Antral cannulae; A set of—Dunn, J.	163
Antrum attachment ready for use—Sullivan	107
Aural speculum especially adapted for incision of the external canal; A modified,—Smyth, D. C.	24
Auto-inspection laryngoscope—Wright, J. D.	179-180
Case of corrected nasal deformity—Carter, W. W.	96
Case of frontal sinusitis, etc.—Van Wagenen, C. D.	644-648
Charts for article on "Eye affection and intra-nasal diseases—Coffin, L. A.	860-866
Chart for paper on "Fetid necrosis following simple mastoid"—Fried- enwald, H.	699
Compressed air irrigator—Sullivan	108
Curette and cannula for maxillary sinus operation—Worthington, T. C.	633
Exostosis of the septum—Metzenbaum, M.	652
Fibrous tumors of the naso-pharynx—Wells, W. A.	794-796
Foreign body in respiratory tract—Beck	184
Frontal sinus rasp—Sullivan, J. J.	107
Illustrations for article on: "Pathology of the ear"—Bruehl, G.	972-977
Illustration for: "Method of filling excavated mastoid with flap from the back of the auricle"—Mosher, H. P.	1158-1162
Illustration to article on: "Inter-relations of the pituitary body— MacIay	957-963
Instrument for laryngo-esophageal fistula—White, J. A.	1155
Instrument to remove nasal wall in cases of empyema of the maxil- lary antrum—Alderton, H. A.	1096
Lamp for frontal sinus—Sullivan	108
Laryngeal mirror-heater; Electric,—Heltger, J. D.	175
Larynx in laryngo-esophageal fistula—White, J. A.	1154
New forceps and speculum for the submucous resection of the de- flected nasal septum—MacWhinnie, A. M.	1092
New vest-pocket head-lamp—Hays, H.	1101
Polypoid growth attached to vault of naso-pharynx, occluding nares Winsor, H.	734-735
Scissors-blade removed from ear three years and three months after its introduction—Stein, O. J.	690
Septum deflection and instruments for its correction—Metzenbaum	87-92
Septum set—Freer, O. T.	1137
Sigmoid sinus and jugular bulb in infancy—Braislin, W. C.	1180-1182
Speculum for direct examination and treatment of the naso-pharynx and Eustachian tubes—Yankauer, S.	174
Stereoscopic views illustrating: "Some observations upon the crib- riform plate and olfactory nerve in man and certain animals"— Kyle, J. J.	1131
Submucous resection of nasal septum; New instruments for,—Koenig, C. J.	1025-1026
The inferior turbinate—Freer, O. T.	1139-1144
Tongue-depressor; A new,—Layman, D. W.	176
Tonsil-dissectors mounted in convenient form upon a single handle, Two well-known,—Harris, C. M.	177
Tonsil separator—Higbee, B.	1094
Tube for closing and removing an open safety-pin—Mosher	1022
Yankauer curette, probe and applicator—Hays	654
